1 Select the Abstract Option: Start by clicking on the "Abstract" option.

The screenshot shows a user dashboard with two main sections. The first section, titled "You can choose the following options", contains three links: "View Account Details" (with subtext "Here you can access personal data from your account."), "Edit Account Details" (with subtext "Here you can update your personal data."), and "Logout" (with subtext "Please log out if you have finished to prevent unauthorized use by irresponsible parties."). The second section, titled "As a participant, you can choose following options", contains five links: "Abstract" (highlighted with a red box and subtext "Here you can view the list of submitted abstracts and see the abstract selection results."), "Participation Details" (with subtext "Here you can access the details of your participation registration."), "Edit Participation" (with subtext "Here you can edit your participation registration."), "Publish on Proceeding" (with subtext "Here you can place an order for publication in proceedings."), and "Upload Photo" (with subtext "Here you can upload your photo.").

2 Access the Submission Page: On the abstract page, you will see a countdown timer indicating the remaining time for abstract submission and a "Submit Abstract" button. Click this button.

The screenshot shows the "Abstract" submission page. At the top, it reads "THE 6th INTERNATIONAL SYMPOSIUM ON MARINE AND FISHERIES RESEARCH" and "Yogyakarta, 16 July 2025". Below this is a navigation bar with "Home" and "Seminar" (with a dropdown arrow), and a "Logout" button. The main heading is "Abstract" with a subtext "Here you can submit, view, and manage your submitted abstracts." Below this, a message states: "You have not submitted an abstract. Click the button below to submit an abstract. You are allowed to submit a maximum of 2 (two) paper titles. Click the button below to register your paper." A green countdown timer indicates: "Abstract submission opened until 21 April 2025 at 23:59:59 Western Indonesian Time. (Remaining time : 62 days 13 hours 40 minutes 25 seconds)". At the bottom, there is a red-bordered button labeled "Submit Abstract".
